

COOKIE POLICY

of websites <https://autobrief.io>

OUR WEBSITE <https://autobrief.io> USES COOKIES TO DISTINGUISH YOU FROM OTHER USERS OF OUR APPLICATION. THIS HELPS US TO PROVIDE YOU WITH GOOD EXPERIENCE WHEN YOU BROWSE OUR APPLICATION AND ALLOWS US TO IMPROVE OUR APPLICATION. PLEASE READ THIS COOKIE POLICY TO SEE WHAT OPTIONS YOU HAVE TO CONTROL THEM.

1. WHAT ARE COOKIES?

- 1.1 A “cookie” is a text file placed on your device that enable the Application to recognize a certain device or browser using the Application. They are widely used to “remember” you and your preferences.
- 1.2 BRIEFD uses cookies to either enable certain functionalities of the Application or to collect certain information on the usage of Application that further provide features for your convenience. Certain cookies are therefore crucial for operating the Application and are placed on your device at the time of your visit, while others are used solely to improve your user experience or provide Briefd with insight into user behaviour, to allow for future improvements of the Application.
- 1.3 Especially the latter require the individual’s consent to use the cookies which you provide by clicking [I Agree] in the appropriate window. If you choose to withhold your consent for the use of cookies be advised that certain functionalities of the Application may not work properly if the cookies that support them are disabled.
- 1.4 For example, we use the following types of cookies:
- (a) **Session cookies:** they keep you logged in while you use features of the Application. They disappear after you close the browser;
 - (b) **Persistent cookies:** they stay in the browser and allow us to recognize you when you return to Application (e.g. saving the information you selected to be stored, diagnosing and fixing technology problems);
 - (c) **Analytical cookies:** they help to collect the information on number of users and their visits of the Application.

2. WHAT COOKIES DO WE USE AND FOR WHAT PURPOSE?

2.1 The table explains the types of cookies we use on our Application and the purpose:

Cookie Name	Provider	Storage limitation	Purpose	Retention period
pll_language	1st party	Cookie is placed to remember the selected language settings.	Settings	365 days

_fbp	1st party (Facebook)	Cookie is placed by Facebook to track visits across websites	Statistic	
_greaptcha	1st party (Google)	LocalStorage value set to mark the browser user as legitimate user for verification in case of submitting the data via website.	Verification of submitted data	Persistent
cookie_notice_accepted	1st party	Cookie that marks that user accepted the cookie and privacy policy	Settings	3 months

3. HOW CAN YOU MANAGE COOKIES?

3.1 **Removing cookies from your device.** You can delete any cookies already on your device by clearing your browsing data in your browser. This will remove all cookies from all websites you have visited. This may also result in the loss of some of the information stored (e.g. saved login information, website settings).

3.2 **Rejecting cookies.** You can refuse or block all or certain types of cookies set by our Application by changing the cookie settings in your browser. Please note that most browsers automatically accept cookies. Therefore, if you do not want cookies to be used, you may need to actively delete or block cookies. If you refuse the use of cookies, you will still be able to visit our website, but some features may not work properly.

3.3 Find out how to manage cookies on popular browsers:

(a) **Google Chrome**
